I worked as a Fashion Stylist on approximately 80 Commercials in an 8 year period with various Production Houses in Toronto (Partners, Stripes, Boardwalk, Rawi-Sherman).

TEACHING

I created the Curriculum for "Designing Fashion Accessories" at the Academy of Fashion Design in Toronto. I taught 3 (3 hr classes) 3 times per week for 10 weeks. The Courses included Designing Jewelry, Millinery, Shoes, Hosiery, Belts and Handbags.

LANGUAGES

I am fluent in English, Polish and can understand similar slavic languages. I have some knowledge of French and Spanish.

EDUCATION

I studied Fashion Design (Pattern Drafting, Sewing) for 3 years at Sheridan College (Oakville) and George Brown College (Toronto).

CLOTHING LINE

I opened a clothing shop *Studio 1686* in October 2007, a Boutique located at 1686 Queen St W in Toronto, featuring Designer Clothing for Women and Men. I manufactured a Dress Collection under my label Marya Duplaga.

YOGA INSTRUCTOR

I graduated from the Sivananda Yoga Teachers Training Course in Paradise Island, Bahamas in 2001.

INTERESTS

I am an avid traveller and visited Morocco in May 2018 for 2 weeks. I visited all the major cities and travelled across the country to Merzouga (east Morocco). There I mounted a camel and headed for the Sahara Desert, where I stayed the night in a tent and next day travelled across the country to Marrakesh. Along the way I visited the Atlas Studios where Ben Hur was filmed and many other epic films.
